## **Lane restrictions will be encountered on IL 15 in St. Clair County**

**CENTREVILLE** –The Illinois Department of Transportation today announced that Illinois 15 will have frequent lane shifts with narrow lanes from Racehorse Drive to the entrance for the Shrine of Our Lady of The Snows beginning July 17, 2017, weather permitting. These restrictions are necessary to complete bridge repairs over Illinois 157 and Harding ditch.

A posted detour will direct truck traffic to take Illinois 13 and Illinois 163 around the work zone.

This work is anticipated to be completed by the end of October 2017.

Motorists are urged to seek alternate routes, obey all traffic control signage and allow extra time when travelling in the area.

The General Contractor on this project is Keeley and Sons, Inc., of East St. Louis, Illinois.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
